

SVAA Scholarships

Dick McDonell—SVAA Board Member, Scholarships

SVAA was very excited to present NAIT and SAIT with automotive scholarship funds in 2022. Here are the NAIT award recipients

Allen Iverson Palines
Student, Auto Body Technician Apprenticeship program

Thank you! Specialty Vehicle Association of Alberta, for the bursary I received. I will be able to complete my final year as an Autobody Refinisher because of your generous financial aid. I am passionate about automobiles; the classic or old cars need more attention or a return to this modern day.

I am looking forward to learning more about cars this coming year.

Thank you so much.

YOU CHANGE THE LIVES OF STUDENTS

THANK YOU,
SPECIALTY VEHICLE ASSOCIATION OF ALBERTA

I am honoured to have been selected as the Specialty Vehicle Association of Alberta Bursary recipient.

Thank you for your generosity which allows me to study during my apprenticeship Auto Body Prepper at NAIT. The financial support helped me, especially during covid, to support my family. Your award has opened a door, and the prospect of a better future will play a key role in shaping me into a successful person. I want to pursue and earn more credentials in a certificate or degree in my field of work in the future.

I am incredibly passionate about automobiles. I can learn new skills, which will allow me to work in a high-tech work environment with long-term job security, and provides me with competitive wages and benefits.

Specialty Vehicle Association of Alberta, you have made my life brighter. I hope that one day, I will be able to bring a smile to another student in need.
