Dear SAIT donor,

I am honored and deeply grateful to be chosen as the recipient of the Specialty Vehicle Association Award. Thank you so much.

This money was very helpful in assisting me in buying some needed tools for my apprenticeship program that would have been out of reach for me without your help. This allows me to continue following my passion for mechanics and continuously learning and growing into the best technician I can be! SAIT has transformed my life in many positive ways and this is largely supported by the generosity and interest of donors like yourself.

Everything you do for students is so appreciated and I offer my sincerest thank you to you.

Award Name: Speciality Vehicle Association Award

Student Name: Mitchell Trenhaile      Program of Study: Automotive service technician

For Office Use Only: SA00000000101922d
